

## OUR MISSION

We are dedicated to improving quality of life by supporting health, wellness and independence through the provision of compassionate, patient-partnered health care.

## OUR VISION

Driven by innovation and a passion for caring, we will provide integrated, holistic care delivered by an exceptional team of health professionals, who are known in the hearts and minds of our patients for the finest quality health care.

## OUR VALUES

**PATIENT-PARTNERED • INTEGRITY • ACCOUNTABILITY • PARTNERSHIP  
TEAMWORK • TRANSPARENCY • RESPECT • INNOVATION**

## OUR STRATEGIC PRIORITIES

### PEOPLE & CULTURE

Living our values to retain and attract great people who are driven by patient-partnered care

### QUALITY EXCELLENCE

Partner with patients and families to deliver safe, compassionate, high-quality care for our communities

### LEADERSHIP, PARTNERSHIP & INNOVATION

Facilitate access to care by leveraging relationships, innovation, and advocacy

### OPERATIONAL EXCELLENCE

Optimize value through efficient, effective, and sustainable use of resources to deliver care our patients can count on
